## ⊕ ANNUAL REPORT ⊕

April 1st, 1928 to March 31st, 1929.

### HOSPITAL.

Admitted, 148. Surgical, 118. Medical, 13. Maternity, 17.  
Total 148.

Operations by Hon. Surgeon : Major 101 ; Minor 8—Total 109

Average stay of Patients, 18 days.

Average number of beds occupied daily, 8

### OUT-PATIENTS.

Cases treated 356. Visits, 2286. Minor Operations by Hon. Surgeon, 64 ; Minor Operations by Local Doctors, 6 ; Dental Operations by Local Doctors and Dentist, 10.

### DISTRICT WORK.

Total number of cases nursed, 410. Surgical 181. Medical 125. Chronic, 25. Maternity Doctor's Cases, 28. Midwives, 51. Visits paid by Nurses, 4781. Nights on duty 57.

The Committee have much pleasure in recording the increasing helpfulness and benefit of the Hospital and Nursing Association. The figures given above show an increase in the numbers of Patients admitted to the Hospital, treated as Out-Patients, and also in the cases dealt with by the Nursing Association in the district, thus shewing the facilities provided are being utilised more and more as time goes on, and if we can only meet the increased demands being made upon our services we shall be quite content.

### DEATHS.

Unfortunately, we have to record with great regret the loss of two members of the Ladies' Committee and a member of the General Committee by the passing of Mrs. E. Batey, Miss Graham and Mr. W. R. B. Pritchard. The two ladies had been connected with the Nursing Association for many years and had done much good and useful work on behalf of it, whilst Mr. Pritchard, who was one of the representatives of the District Council, upon the General Committee had with his family, been a staunch supporter of both branches of our services.

### RESIGNATIONS.

We have also to report regretfully that two members of the General Committee have found it necessary to resign their positions, Mrs. Leake—a splendid worker on behalf of both the Nursing Association and the Hospital, who in addition to being

Hon. Sec. of the Association, was also one of the two Hon. Secretaries of the Hospital. Mrs. Leake had a long and honourable connection with the Nursing Association in the days before there was any Hospital, and she did much valuable work towards getting the Hospital into being, whilst Mr. Hastewell has been a constant and willing working member of the Committee. Also, two members of the Ladies' Committee have resigned their positions upon that Committee—Mrs. Pritchard, of Melkridge and Mrs. Charlton, of Haltwhistle. These resignations are much regretted, as both ladies had done a great deal of good work in connection with both the Nursing Association and the Hospital.

#### FINANCE.

We commenced the year under review, with the small deficit of £27, which however, has by the kindness and generosity of our many supporters, been eliminated and we end our financial year with a slight surplus. The income has been somewhat less than last year, but a reduced expenditure has enabled us to pay our way.

#### STAFF.

The Committee again extend their great thanks and appreciation of his services to the Hon. Surgeon—Mr. J. Collingwood Stewart, for his unremitting attention and response to the many calls made upon him during the year; also to the Matron—Miss Armstrong and her staff of Nurses and other helpers.

#### BAZAAR.

The many lady supporters of the combined associations are working assiduously on behalf of the Bazaar to be held this coming Autumn, and we appeal to all our numerous friends and supporters throughout the district to give them every help and assistance, to enable them to achieve such another great success as was accomplished on the last occasion.

#### THANKS.

To all those, who have kindly sent gifts to the Hospital during the year such as Eggs, Magazines, Fruit, Flowers and other things, we tender our grateful thanks. Also to one and all, for their support of the good work already done, and trusting for a continuance of such support, to do further good work on behalf of our afflicted brothers and sisters.

We remain, on behalf of the Committee,

Sincerely yours,

W. R. WILSON, Hon. Sec.
